Dear Club,

I recently had the most exciting fuck of my entire life, and I just had to tell someone, so I thought I'd write in and share the story with your lucky readers. It's only fair, really, as it was actually Club that indirectly led to everything happening in the first place.

Basically, one night my hubby and I were in bed together, and he was reading out one of the naughty stories from your magazine, to get us in the mood. It was all about this guy who had a threesome with his girlfriend and his best mate. I got so turned-on listening to how this lucky girl had gotten to play with two dicks at once; sucking one guy's hard, swollen cock as the other one pounded into her from behind. My husband asked me if it was something I would ever be interested in trying, and though we were both very sheepish at first, we found ourselves coming round to the idea that maybe we could get off on welcoming another cock into our bed. He told me how much it would turn him on to watch me riding another man's cock, and obviously he could see how much I liked the idea of two dicks fucking me just from how wet my pussy had been when he was reading the story.

Anyway, nothing more was really mentioned about it after that night, but the thought was definitely there in the back of my head.

A couple of weeks later, however, Tony and his friend Steve were in the living room watching the footy on a Saturday afternoon. Steve and Tony have been mates for years, and I've always had a soft spot for him.

We've harmlessly flirted, with Steve joking how he'd love to steal me away, and I've definitely seen him eyeing me up on the odd occasion. And if truth be told, I have to confess to masturbating once or twice thinking about Steve, imagining what his cock would look like, and how it would feel thrusting in and out of my tight, wet pussy.

Watching the two of them sitting there in the living room, drinking beer and shouting at the telly, I was suddenly struck by a wicked, filthy idea. My pussy started to throb just thinking about the two of them naked, me on my hands and knees, sucking each of their hard, fat dicks in turn. When Tony came out to the kitchen, I told him what I was thinking, and how it could be a good chance to live out the little fantasy we'd discussed. And maybe it was the three or four beers he'd

“I swallowed the lot, taking it deep into my throat... as I massaged his balls.”

drunk, but far from recoiling in horror, he just stood there, grinning like a little kid. I knew then that we were on, so I sent him back out to the living room while I quickly stripped off. I then strolled out into the lounge, bold as

brass and totally naked, carrying two fresh, cold bottles of beer.

“I thought you might like a little something,” I said. They both turned to look at me, and Steve's face was an absolute picture. He looked at me, then back

at Tony, not knowing what to say. Tony just nodded that it was okay, and I handed them each a beer before dropping to my knees in front of them on the sofa and quickly attending to the zips on their trousers. Within seconds I had a rock hard dick in each hand, and I licked my lips before sinking my mouth over the head of Steve's cock. He squirmed in the seat in front of me as I slowly swirled my tongue around and around, moving my mouth up and down the shaft, slurping and sucking and loving the feel of his dick between my lips. I swallowed the lot, taking it deep into my throat, as I squeezed and massaged his balls whilst simultaneously wanking my husband's dick with my other hand.

It was everything I'd imagined and better. I felt so powerful, so sexy having these two guys in my hands and at my command, and my pussy was practically dripping with excitement. I would have loved to spend a bit more time just playing with the cocks, licking and sucking them both, but I suddenly felt Steve pull away from me, before pushing me back onto the carpet and shedding his clothes. He then knelt between my legs before taking hold of his hard, throbbing prick and placing it gently at the tip of my soaking cunt. It felt amazing as he slowly rubbed it up and down my slit, tickling my clit with the head, soaking it in my pussy juice before running it back down and thrusting deep into me in one

swift move.

OH MY GOD! It was the most amazing feeling, and I was practically coming straight away. Quite aside from the fantastic physical sensations, here I was, lying on the floor in front of my husband while another bloke fucked me! He slowly started to build up the rhythm, his thick cock filling me so completely, sawing back and forth between my slick, wet fanny lips.

He grabbed my boobs roughly, kneading them in his hands, pinching and pulling the nipples and making me squeal and shake with delight. I looked up at Tony, and he was sat there, grinning and glued to the action, slowly wanking his own hard cock. It felt so

dirty and sexy, and I was getting close to coming, but I didn't want to come just yet.

I pushed Steve away, climbing up onto all fours, and beckoned Tony to kneel in front of me. Steve then moved round to the back, and as he slid into my pussy from behind, I took Tony's dick in my mouth and sucked and licked for all I was worth, revelling in the thrill of having one dick in my cunt and one in my mouth. It was easily the dirtiest thing I'd ever done in my life – and I was loving it!

Within seconds, I could feel the urgency in both of them, and Steve started really hammering into me from behind. I sped up my work on Tony's dick, licking and sucking, and wanking the shaft as fast as I could. Steve grabbed hold of my hips, and thrust into me as hard as he could, triggering the most intense orgasm I've ever had. I screamed out loud as I came, my pussy muscles gripping one cock as my hand gripped the other, and the two guys came almost instantly, flooding my hungry cunt with thick, sticky come while

“...revelling in the thrill of having one dick in my cunt and one in my mouth.”

jet after jet of my husband's hot, white spunk splattered my mouth, chin and cheeks.

For quite a while none of us could move, we were all a bit shocked by what had happened as the two guys looked at each other, and me, and soaked it all in, but it wasn't too long before they had got used to the idea, and their cocks were soon swelling again before my eyes!

As you can imagine that was only the start of things, and we carried on for a few hours yet, as I got to play with two dicks to my heart's content. And though we haven't discussed it properly, I know another threesome is definitely on the cards. Maybe this time Tony will get to play with me and another girl.

Alison, Coventry.

We wouldn't like to come up against Elina in a sporting event, as the Club newbie looks fitter than ever in this mountain top photo shoot that clearly shows off all her assets. But we wondered how on earth Elina got up here, as we couldn't see another car anywhere?

"I walked."

What, up that steep mountain?

"Don't look so shocked, I love hiking and being outdoors. Plus it's more of a hill than a mountain, so not that bad."

Bearing in mind we only had to walk 100m, and we were out of puff after that, we're definitely classing this as a mountain.

Playful bickering ensued but was cut short after Elina took her top off, then we just couldn't remember what we had been were talking about.

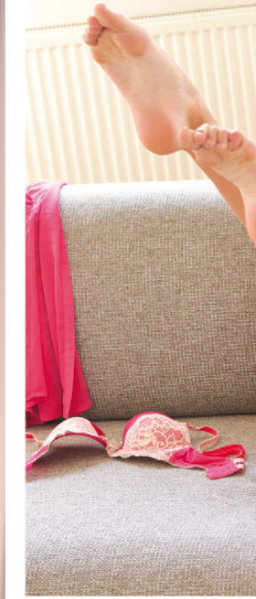

Abril 
PHOTOS: DDF

There was a collective sigh at the sight of Abril's petite figure as she practically skipped into view with a broad and beaming smile, her pink boyfriend shirt slightly open to reveal a pink and cream lingerie set. But, do not make the mistake in thinking Abril is of an innocent nature, on the contrary, her looks only enhance her naughty and playful nature.

"I can be a bit of a prick tease sometimes; I use it as a test to see what a guy is made off. If he gets frustrated and starts getting pushy, then I just know the guy is going to be no fun."

Abril knows what she wants...

COCKCORD

My name is Jenny, and I am in my first year at University. I still laugh when I think of my first day there, as I suppose you could say I started my career as a student with a bang. Yes, I do mean that I shagged a complete stranger on my first day at university! And no I don't feel in the least embarrassed about admitting it. Even the fact that I have a long-term boyfriend did not bother me on the day – and still doesn't, really.

Of course, I had not planned any of it on that first day. Myself and my friend Lisa, who was also a fresher, had been enjoying meeting our fellow students and learning our way around the grand old buildings.

As everyone but Lisa and I started filing out of the welcome lecture Lisa and I attended, a guy named Neil swaggered up the lecture theatre staircase on his way out, followed by his mate Tom. It was obvious they were both at ease in this new environment. I looked them over as most people slowly filed out, but the boys lingered at the stair-head. They were attractive and knew it, and it was the self-assured air and cocky attitude that made my pussy moist with excitement as I begin flirting with them.

I am tall and leggy, with blonde hair, which reaches almost down to my waist. My best feature is, however, my C-cup boobs, which

are self-supporting but look even better propped in a half-cup under-wire bra. That day I was wearing a black clingy low-cut top, which revealed my cleavage to best advantage and a pair of figure hugging jeans under which I had gone commando that day, as I hate to ruin the look of my jeans with annoying knicker-lines.

I could see Neil honing in on me and gave him my warmest smile. However, it was not my smile he was looking at but my tits, and when he came over to chat me up, it was almost as if he was talking directly to them. I wasn't a bit put off by this. I believe in making the best of your assets and I flashed my cleavage at Neil while absently running a finger across the outline of my nipple which was poking against the sheer fabric of my top.

I giggled as Neil began to openly paw me, and while I don't embarrass easily, his attentions were beginning to get me antsy. So, as everyone else had left and Tom had already begun to work on Lisa, Neil suggested to his friend that we cut classes and go somewhere less public.

Neil surprised us by being intimate with the building and led us down some corridors to a deserted room. He asked Lisa and Tom to stand watch, promising that we would return the favour when we were finished.

I caught a fleeting glimpse of Tom offering Lisa a hip flask as Neil bundled me inside the room, locking the door, and backing me against the wall. His hands went straight for my tits, and I began to

“It took him two or three thrusts to push his length right inside me...”

grapple with his trouser fastenings. In a blink, he had popped my boobs over the top of my bra and was suckling my nips as I struggled to get at his rigid cock.

He was well hung and erect as I grasped his thick cock and began wanking him firmly with one hand while gently juggling his balls with the other. Outside the door, we could hear heavy breathing as our look-outs forgot their sentry duties and enjoyed a noisy knee-trembler without a thought for consequences. I was so hot for Neil I didn't even worry when he tore my new top a little when he tried to pull it off. In fact, we were both laughing as I lay on the floor trying to wriggle from my tightly fitting jeans.

He whistled, then dived straight in, his tongue making straight for my pussy when he realised I was wearing nothing on my fanny except a freshly

“...he shot a stream of hot gooey spunk far up my throbbing pussy.”

done Brazilian wax job. His tongue lashed my protruding clit as he gulped, swallowing my hot juices as he ate me out, making me come again and again. I forgot all about where we were and when he asked me if he could take me doggie I eagerly agreed and rolled over onto my knees, with my arse pushed up and my face and elbows resting on the ground.

In a shot he had my arse-cheeks parted and began rubbing his big cock up and down my bum- crack. He got my pussy dripping, moving some of the moisture around to my tight arse hole with his cock head before entering me from behind. It took him two or three thrusts to push his length right inside me and each one brought a blissful tingling to my arse and cunt. In and out he pumped, hands reaching forward to twiddle my hard, sensitive nipples as he shagged me. I couldn't get enough of the feeling of having my backdoor hole stretched out by Neil's meaty monster. It was heaven as he shunted his entire length in and out of me.

Neil began sweating as he picked up the pace and I felt my next orgasm building up, and as the first tingles grew into earth shattering spasms I threw my head back and let out a scream of pleasure. Neil quickly grabbed my mouth trying to muffle the noise as my body bucked in response to his plunging cock. My pussy throbbed wildly, contracting around his thick shaft as he fucked me mercilessly. Gasping for breath at the intensity of my orgasm I closed my eyes, howling once again as he shot a stream of hot gooey spunk far up my throbbing pussy.

We collapsed on the ancient wooden floor, giggling as we rolled apart. Then like a gentleman, he offered me a pack of tissues from his jacket pocket for just such an emergency. When we were semi-respectable, we opened the door just in time to see Tom's bare buttocks tense as he too shot his mess into Lisa as they finished what looked like a very hot standing fuck against the oak panelling. I can tell I'm going to learn a lot in the next three years and not all of it in the classroom.

Pretty good for my first day of higher education, don't you think?

DANI 

The long-limbed Danielle Maye is perched on a chair, looking hungrily at the camera, as she fills the room with a dirty flow of thoughts, that we find extremely engaging and

understandably rather stirring. But knowing Dani with her naughty smile, this is her intention, and so we happily lap up any bone she throws our way while keeping one for her.

The young and long-limbed Emily Boom has got quite a roll call to her name already, including Playboy's Thong Thursday. The model, actress and singer likes to keep herself busy but can often be found relaxing by the pool.

"I totally need to wind down sometimes, and there's nothing like just floating in the pool. Which, seeing as I live in LA with all this amazing sun about is easy enough. Mind you I do have to slather on the sun cream."

Now there's a fantasy in itself, rubbing in some factor 30 to every nook and cranny of this porcelain beauty.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Brain Waves

Over the years the number of people having near death experiences in pursuit of YouTube glory must be significant. One fine example of this saw emergency crews having to recuse a man who had cemented his head inside a microwave after a YouTube prank went horribly wrong. The joker in question Jay Swingler was attempting to make a mould of his head, when the Polyfilla mixture set faster than calculated, trapping the man. The Paramedics were called after 90 minutes when friends were unable to free the man, and having fed an air tube into his mouth to prevent suffocation.

It was a YouBoo!

Paramedics had to call in the Fire service, who spent over an hour trying to free the 22-year-old prankster from Wolverhampton who was lucky to be alive, and they weren't impressed.

Pump that...

Some muscles in your body definitely don't need to do any weight lifting, as one German gym had the unpleasurable experience of finding out. One gym pounder managed to get a very personal part of his body stuck inside a 2.5kg weight. Firefighters

spent three hours attempting to free the man's personage from the centre of the disc with a grinder and vibrating saw, later sharing a picture of the shattered weight on Facebook, and urging others "not imitate such actions." How or why the weight ended up wrapped around his manhood like the pastry on a sausage roll is still a mystery, but we think we can guess how it started.

Black Rider

Every so often you hear something that you thought could only happen in the movies or a Monty Python sketch, and this is one of those tales. A motorist filmed a body bag, departing company with a hearse at a busy junction in New Zealand. The shocked driver said, "I heard this noise, and the next thing you know I see the stretcher with the body on it flying through the intersection."

The stretcher was loaded back into the hearse form Davis Funerals, who commented that the body bag was empty, while further explaining that there's a cushion at the head end of the stretcher, and a metal bar at the foot end, which can give the appearance that there is a cadaver inside. A full investigation by the funeral home is in process.

Well, this is a long overdue appointment to Club's front cover for Sammi Tye. The stunning lass happily chats away while tossing aside items of lingerie as the camera clicks away.

"What can I say, except I really love my job! I've been coming away for all my lovely fans and doing a few shoots here and there, and I even managed to fit in a few days away at a very glamorous spa hotel."

Sammi seems keen to infect everyone with her cheerfulness. Mind you, just by doing her job she puts a smile on our faces...

Talkin' Blue

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

AM-DRAM WHAM-BAM!

I've always been into amateur dramatics and since I've been in my twenties, it's been getting me more than standing ovations! It would take way too long to tell you all my dirty stories, so here are just a couple of horny moments.

One time, at an audition to join a theatre company, we were all asked to act out something that would usually make us feel awkward – just to see if we could be convincing out of our comfort zone. A few people played it for laughs and one bloke managed to make himself cry. So one of the other women my age, Sara – said we should snog each other.

Bitch that I am, I waited until we'd got into it, then during a pause for breath, I whispered in her ear, "Why did you assume I'd have a problem with this?" Then I stuck my tongue halfway down her throat. She freaked a bit but wasn't going to let me outdo her, and the next thing I knew, her hands were all over my tits.

It was like playing chicken – I had my hands down the

back of her jeans, clawing at her arse cheeks, and ended up with my T-shirt hiked right up, one nipple slipping out of my bra. That's when the panel told us to stop.

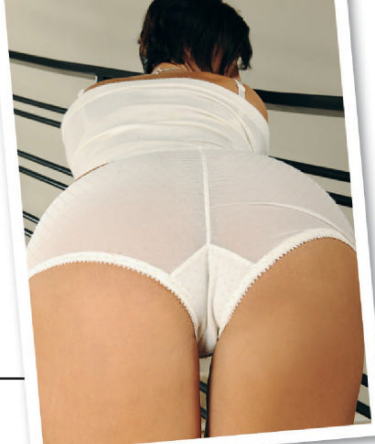

We both passed the audition – funny, that! – and later, at the pub I jokingly asked Sara how far we might have gone if they hadn't called a halt. She said maybe we should find out. I still can't say for sure what was going through her head. Maybe it was curiosity or something for her acting 'experience bank', maybe even a spark – whatever, we both ended up back at hers.

She took charge, leading me to her bedroom, where she sat me down and did a slow strip. All I can say is if her stage career goes tits up, getting them out could pay the rent. First she got herself out of her jeans – bending over and peeling them down her thighs. I noticed a few fading red scratch-marks on her arse cheeks from my nails! Then she shimmied out of her top and danced in her bra and thong, taking it as seriously as if she was in the West End.

I went to undress but she told me to stop. First she pretty much leapt on me and pinned me to the bed, mauling at my mouth like she couldn't resist me. Then, like she was showing her range, she kicked it down a couple of notches, kissing me tenderly, tongue flicking against mine like butterfly wings.

She was still in gentle mode as she helped me out of my top, nuzzling my boobs through my bra, then unclipping it at the back so they swung free. With her mouth on one nipple, she was pulling at my skirt – too tight-fitting to push up – and I wriggled out of it.

Now down to my knickers, I sensed a slight amount of nerves as her hand crept to my

crotch, stroking it through the lace and cotton, pressing her palm against it to feel my moist heat. Then she eased them sideways, fingers skimming my labia before dipping into my wet slit. She finger-fucked me, pumping two in and out of my cunt as she thumbed my clit. And her mouth was on mine again as she humped herself against my thigh, her free hand cupping my breast.

Just as the friction was building nicely, she pulled her fingers out and offered them to me to lick. I sucked one into my mouth, down to the knuckle, feeling my own wetness smear my cheek. Then I said, “Your turn to taste me.”

She sucked the other one dry, then lapped at my face. Then she backed down the bed and took my panties off before splaying my legs wide apart. I

humped, moved my hips, helped to position her fingers on my sensitive spots. Then she bowed her head, licked up and down my slit a few times before settling her mouth down on my clit. Softly, gently she sucked me. I knew I could cum from this but not quickly. Then she hooked two of her fingers, slid them deep into my cunt and found her target.

I won't say it's the hardest I've ever cum in my life, but it's close. Sara kept on sucking, tickling, trying to stay in place as I bucked against her. My snatch tightened, then spasmed, pleasure shocking its way through me. I put my hand down, wanting – needing – her to stop I felt so tender, and she backed off. But not for long – next thing she was wetting a finger and slipping it slowly up my arse, tongue working my clit as my pussy ran

with juices.

It was an experimental night, both of us exploring, making the most of a one-off. And I had another one-night stand, straighter this time, a couple of years later. David – absolutely not his real name! – is a professional actor with links to the area I'm from, and wanting to ‘give back’, he became a patron of a local theatre.

One time, he was guesting in a fundraising show and with the production crew already run off their feet, I was asked if I'd “take care” of stuff like food, drink and running errands for him. He turned out to have a wicked but slightly weird sense of humour.

“I opened wide and sucked the entire length of his prick into my mouth and throat.”

His favourite thing seemed to be coming out with filthy comments in a deadpan voice. So when I knocked on his dressing room door and asked if there was anything he wanted, he said, “Beer... sandwiches... my cock spunking all over those glorious tits – is that a problem?”

I just shot back, “Only if the caterer’s run out of bread.”

He called me in and said he’d settle for spunking on my tits, moaning that it had been “ages” since his last “fucking good blowjob”.

I didn’t take him seriously – I wasn’t even sure he was straight at that point – but he asked if a flash of my boobs was out of the question. I honestly don’t think he’d have tried it on with some wide-eyed innocent, someone who’d have been afraid to tell him to fuck off. Not that I did – I flashed my bra at him.

“Now bare,” he said and I obliged, taking off my top and walking over to him, letting them jiggle, keeping them just out of his reach. He was lounging in an armchair wearing a bathrobe, and I could see the front of it tenting.

I leaned down, placing a hand on his thigh just inches away from his hard-on, boobs swinging... then said I’d better get a move on if he wanted his sandwiches. He grabbed my wrist and said he’d rather me get on my knees and suck his cock. He said it in a slightly posh, slightly stern voice, one with authority, and I sank down right away, almost like I was obeying instinctively. My hair swept forward, like a curtain, and he moved it sideways to watch me play his tip over my lips.

I flicked my tongue out, giving his helmet sneaky licks, then I’d part my lips a little, letting the first inch slide in, before closing them again. He pulled on the back of my head, trying to coax me to take him deeper. “Do you mind, Sir?” I said, doing the stern voice myself and he flinched back, only to be taken by surprise as I opened wide and sucked the entire length of his prick into my mouth and throat.

“Shit...” he groaned as I started to gobble him, tickling his balls, working them against my chin. He reached down to get a handful of my naked tits, squeezing them roughly. I

didn’t protest, as long as he was letting me suck him at my own pace.

Any time he seemed to be trying to hold back, I held off for a second, then sucked him with a vengeance, finally holding my head in place then, with one hand curled around the root of his prick, I let him thrust hard in and out.

I tasted the first jet, creamy-salty on my tongue, then he groaned that he wanted to spunk all over my tits so I leaned back, chest shoved forward as I used one hand to aim it all over them. I gave him a show, rubbing his mess all over my boobs and face, and he sat back, looking red and slightly flustered. Then he told me to get up. With a dirty grin, he pulled me forward and sucked some of his own jizz off each of my nipples, then he gave me a really gentlemanly kiss on the hand.

I sent a middle-aged bloke from the company up with the drink and sandwiches – told him to knock loudly first – and while I didn’t avoid David during the evening, I felt myself blush whenever I saw him. I’d still love acting even if it wasn’t getting me laid, but the fact it does is a nice bit of sauce!

This month's cover girl certainly isn't leaving anything to our imaginations thankfully, as Club newbie Lauren Louise storms the front page with her dark melting eyes and plump puppies proving an enticing sight. But at 21-years-old Lauren is no wallflower surprisingly, and knows her own mind thoroughly, moving the shoot

along at her own pace with delicate indications.

"I like being in charge, not so much in the bossy sense but more in the way that encourages situations or people to come out of their shells."

We wouldn't mind being guided by Lauren in any direction, lead on dear woman, lead on!

Lycia 
PHOTOS: BB MEDIA

One busty beauty we have been aching to feature is the Clacton-on-Sea lass Lycia, who only started revealing all for the camera this year. But finally we have our long overdue wish at Men Only, and Lycia is ready to tantalize and tease us with her gorgeous body.

So Lycia, how are you finding the switch over from mainstream modelling to adult? "I'm really enjoying it, I just have so much fun, most of it naughty of course!"

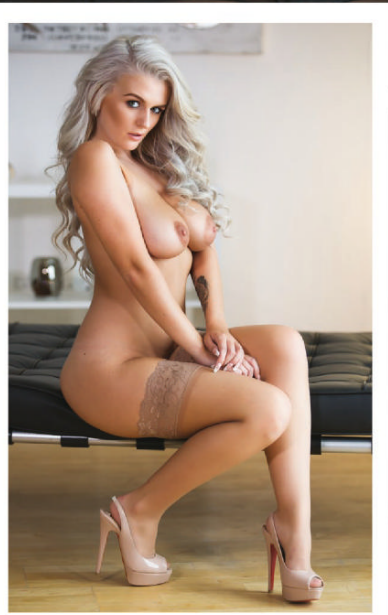

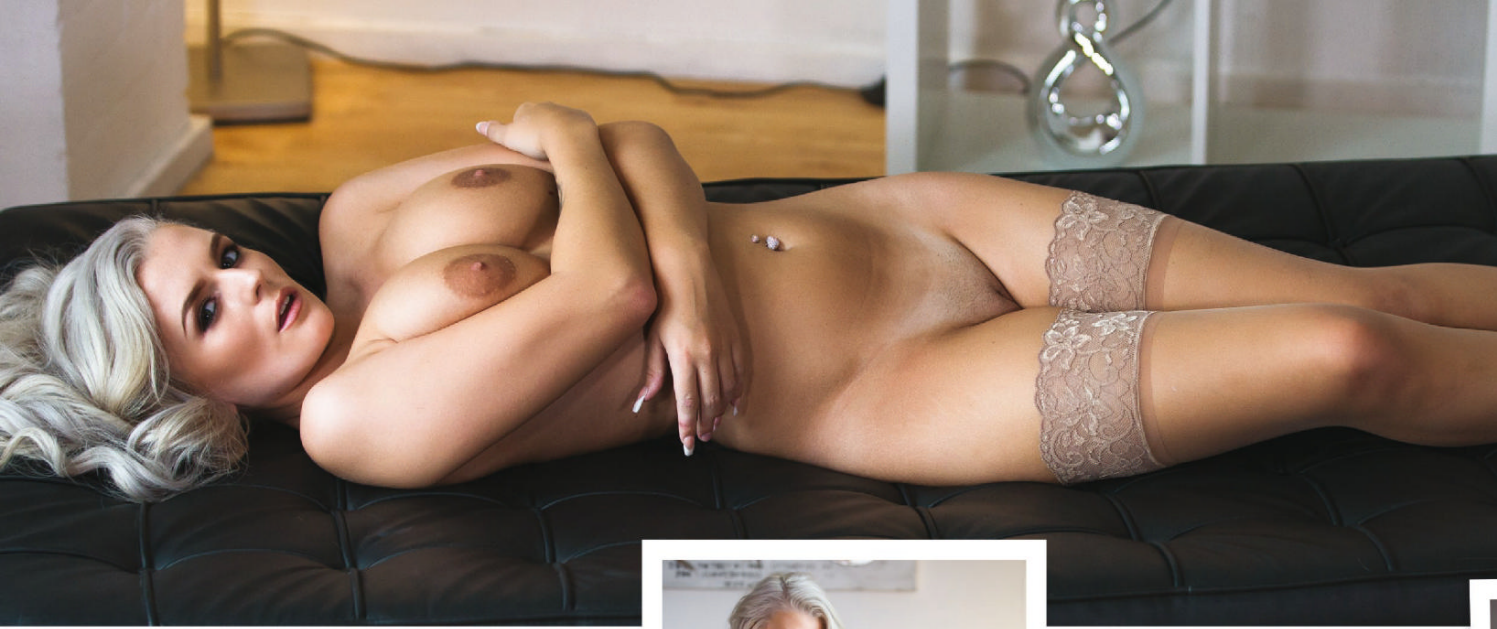

We like to see a girl enjoying herself and that's certainly what she does in front of our camera, as you can see.

Good gracious, I can think of a whole host of things I'd like to do with Katie Thornton's marvellous melons. The well endowed British stunner has had our tongues wagging for a long time, so we were more than ready to pop this kinky lady on the cover for your eyes to ogle. This blonde with two bombs enjoys all sorts of naughty fun, with some cheeky bondage here and there, plus Katie not afraid of a bit of pegging either. So lads if there's a fetish you want to try then perhaps Katie will fly!
